

Sunday Nov 23, 2025 4-8pm

Agenda

- Went over the entire workflow of the conductor app
- Clarified the wireframe for each feature
- Clarified features that need to be done for MVP:

User Manager / Authentication / Roles

- Logging should happen on login / logout, access of private data, and we should have at least basic alerting on excessive login fail attempts and such.

Class directory

- Activity (punch card style with a pull down)
 - attendance

Attendance System

- Should allow updates
- Need attendance for meetings
- Team based overview with % and class overview and plot it over time
 - Attendance rate
 - Ex. Nov 2nd, 70%; Nov 4th, 80%...

Work journals

- Automated bot in email or chat (ASK TA)

Attendance:

- Abhishek
- Yuting
- Gabrielle
- Andrew
- Hanis
- Boqi (Bobby)
- Rui
